"On Consumption" Beverage Service – Flexibility That Works for You

With our "On Consumption" Beverage Service, you get flexibility, control, and the benefit of only paying for what's actually consumed. You can set a limit, and throughout the event we'll keep you in the loop when you're nearing that limit. If needed, you'll have the option to adjust your budget or switch to a cash bar, giving you complete flexibility to manage costs as the event unfolds.
